Attention:

Dear

The graduating class of Washington High School will be celebrating their achievement on June 5, 2012 at 1:00 p.m. Unfortunately, graduation has typically been associated with illegal use of alcohol and other substances, as a means of celebrating. We intend to discourage and minimize those types of celebrations by hosting one of our own: Project Graduation.

Washington High School Project Graduation Committee has planned an all-night alcohol and drug-free celebration for our seniors. This celebration will include a night filled with fun, games, rides, food and more. Project Graduation has been an instrumental factor in ensuring that no drinking or driving fatalities have occurred in Pensacola on graduation night since its inception eighteen years ago.

Events of this magnitude require a significant amount of community involvement and sponsorship. We have a sizable amount of money to raise. Therefore, we are asking local businesses to assist in our safe graduation celebration for our graduating seniors.

Please indicate if your organization will be able to contribute financially or provide donations toward the celebration. Your support for Project Graduation will be greatly appreciated and your business will be recognized in all programs. All donations are tax deductible.

We appreciate your contribution.

Sincerely,

WHS Project Graduation 2012 Committee
